Saturday November 15, 2025 6-10 pm

Purpose:

The goal of Delta Force Athletics is to provide athletic training to children and young adults giving them the opportunity to develop physical fitness, demonstrate courage and determination, experience joy and success all while participating in the social aspects of friendship and teamwork in a safe and encouraging environment. Our athletes participate in competitions all over the country traveling as far as New Orleans this upcoming season in the hopes of gaining a bid to the super bowl of cheerleading, Varsity Summit, in Orlando this coming April/May. Competition fees and travel are costly. We are seeking sponsorships for our casino night at Rose Court Farms to help defray the costs.
